Dear all at Sporting Bears Motor Club,

Thank you so much for raising £2,058.00 at Pistons in the Park this year. This incredible donation will help Great Ormond Street Hospital (GOSH) give seriously ill children the best chance to fulfil their potential. Please convey our sincere thanks to everyone at sporting Bears Motor Club and a special thanks to Alan Moss and their amazing team of Midland Bears for all of their fundraising efforts.

Every day brings new challenges at GOSH. Every day, 260 children from across the UK arrive for life-changing treatments. Every day, young lives hang in the balance as patients, families and staff battle the most complex illnesses. Every day, the brightest minds come together to achieve pioneering medical breakthroughs that change the lives of thousands of children – and change the world.

This extraordinary hospital depends on the support of people like you to help fund:

- Wards and medical facilities designed around children, and which let the hospital treat more patients.
- Pioneering research to tackle complex childhood illnesses.
- Advanced equipment for treating the toughest conditions.
- Support services that help make life in hospital as normal as possible for young patients and their families.

Enclosed is a leaflet with more information about the difference your support is making. A member of the team will be in touch to thank you personally for your vital support. Please do keep in touch and let us know about any future fundraising activities we can support you with by emailing [community.events@gosh.org](mailto:community.events@gosh.org) or calling 020 3841 3179.

On behalf of the children, families and staff at GOSH, thank you.

Best wishes,

Laura Savory  
Head of Community Fundraising
