

HemiHelp

For Children and Young People with Hemiplegia

October 2017

Dear Caroline

Please accept my apologies in the delay in writing to you. I am not based at Market Road and have only just received your fantastic cheque for £2,000 which was raised by Neville Colvin and the amazing team of Bears. Please do thank everyone involved. As a small charity your efforts will make a real difference. We would not be able to do the work that we do without your wonderful help.

With my best wishes
