Hi Mike and Caroline - It is a while since last we met - I hope you are both well

I am also a member (since 1980) of THE UPPER THAMES MOTOR YACHT CLUB - I have over recent years joined with their other members to provide fun days for the benefit of life limited children - by giving them rides on members boats, a summer party and rides in JU57 NOD

Unexpectedly the members have generously sent me a contribution to acknowledge my costs

As members of The Sporting Bears Motor Club do not receive costs I wish to donate the sum sent to me to the Bears knowing that it will be gratefully received and faithfully applied - will you therefore please pass the enclosed cheque to our Sporting Bears Treasurer

THE UPPER THAMES MOTOR YACHT CLUB contribution was received by me on behalf of the club from:
Alan Powell, Hon Treasurer, 163 Bury Street, Ruislip, HA4 7TN

On another note I have received a copy of 'Bear Facts Autumn 2017 magazine'

Since starting the Bears well over a quarter of a century ago it is pleasing to see that there has been raised for registered charities

£2 MILLION

Well done everyone and it is a privilege to be a member of both clubs

Sincerely *John Benneyworth* (alias Just NOD) and *May*
