## Erb's Palsy Group

Dear Caroline

On behalf of the Erb's Palsy Group I am writing to thank you very much for the donation of £340 we recently received from Sporting Bears.

Such fundraising enables the Group to continue helping its many Members and assist new families who have a baby with the condition.

The Erb's Palsy Group was formed in 1991 by a group of parents who have a child suffering from the condition. Initially parents were told that the condition was very rare and they were unlikely to meet any other families who had a child affected. However, the Group now has over 2,200 Members and offers support and advice in a number of ways including our telephone helpline and quarterly newsletter.

Being a small charity it is particularly difficult to obtain statutory funding and we rely heavily on the fundraising abilities of our kind Members to keep the Group running. The Group has no paid workers so the donation you have sent will go directly towards helping group members and their families.

Please thank all the Bears for their time and support at our annual fun day in October, it was lovely to see them all and the members thoroughly enjoyed the rides on offer.

Kind regards.

Yours sincerely

Debbie Robinson  
Deputy Chair
