THOMAS

Date: January 2014

Dear Caroline

Thanks to you and all at the Sporting Bears for your donation and your continued support for our charity. It is with your help that we are able to continue our work. Please pass on our thanks to all concerned and particularly to Mike Gardner and the 'Shire Bears'.

I have sent you a Harry's Heroes certificate (which we set up in when Harry, Thomas's brother died) and we would like to mention you on our Harry's Heroes page on our website and we could put a link to your website on there too. Can you let me know if you are ok for us to do this.

Thanks again from all of us at Thomas's Fund.

Happy New Year

Jan Hall (Chair)
