January 30th 2014

Dear Caroline,

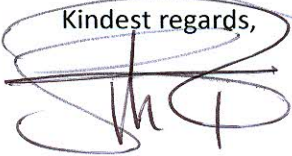

I am writing to acknowledge receipt of your wonderful donation of £6,850 from the Dream Rides event at the NEC Classic Car Show in November. This is an incredible amount of money, and I can't thank you enough for your tremendous support. I'm just amazed at all you do for us, and a donation of this size is really the icing on the cake for us!!

I would like to take this opportunity to thank you and all the members of the Sporting Bears Motor Club so much for all your work in progressing this donation for Derian House. I really appreciate all the efforts you make on our behalf which result in so many fantastic outcomes for the hospice and for the children and families it supports.

Please pass on our thanks to everyone, and if there is anything you need from us in terms of additional information about the work we do, please don't hesitate to let me know.

If you have any images from the NEC event and a resume about the Dream Rides Fundraiser, please send them through to me as we would love to cover them in our next newsletter.

Kindest regards,

Susie Poppitt
Head of Fundraising

Together we can make a difference
