Dear *Caroline*

We have just returned from 16 days holiday in Aberdeenshire (you might be excused in thinking that we are always on holiday) to find your letter of 30th December enclosing your very generous donation of £6850 to our Association. Thank you once again for your continued support which is very much appreciated.

In the past 6 years you have donated over £13000 to SACHD which is absolutely fantastic, allowing us to provide support in so many ways to the benefit of our heart children and their families.

Please convey our thanks to the members of SBMC who organised the event in Birmingham and in particular to the drivers for giving their time and for using their cars to raise so much money on our behalf. I have attended a Dream Rides event in Scotland and fully appreciate what is involved.

I have been invited to join Polar Bears at a lunch next month for a formal presentation when I will have an opportunity to express my grateful thanks to Fiona and all present. I expect that you will receive photos and a report for your newsletter – I will be the one with the biggest smile!

Thank you also for the Gift Aid Donation lists which I will pass on to our Treasurer to process.

Thank you once again.

Kind regards.
