Dear Caroline

Thank you for kindly supporting Zoë's Place

We are writing to thank you for the kind donation of £300.00 raised towards our Nurse, Wendy Williams' Coventry to Paris Cycle Ride. Could you please pass on our thanks and regards to Ian and the Midland Bears' Team for continuing to support our cause.

The generosity of supporters such as yourselves will help us to provide palliative, respite and end-of-life care to all the children we support who suffer with life-limiting or life-threatening conditions, whilst supporting their families through the 24-hour care that they need.

Our care team at the hospice help parents to get the rest that they need, allowing them to spend quality time together and with other siblings. Meanwhile, their child will receive one-to-one care at the Hospice, making full use of hydrotherapy, multi-sensory and soft-play facilities.

We would like to thank you on behalf of everyone here at the Hospice for being a part of our story and helping to raise awareness of Zoë's Place Baby Hospice.

Kindest regards

The Fundraising Team
